

2020 Stewardship Campaign

Pledge Card

Thank you so much for being a part of our congregation! We are blessed this year to invite you to join us in "Walking with Gratitude," as we make a powerful difference in the lives of those in our church, our community, and around the world throughout 2020. We are asking each of you to make a financial pledge for our 2020 ministry!

Some, when first considering their giving to the church, look to contributions they have made to other nonprofits. Gifts of \$100, \$500, or the like, further the mission and are appreciated. We are invited by Scripture to consider giving back to God a percentage of our income to God's Church. The Church is the Body of Christ, and not just another nonprofit organization. Tithing, or giving 10 percent, can seem like a challenging standard. Please consider percentage-giving as a part of your life with Christ. By giving or increasing your giving by one percent of your income, you are making a deep spiritual commitment to God. The chart below is a helpful guide to what that might be.

God loves a cheerful giver. Whatever you feel led to contribute, we thank you for being a part of our congregation. We are called to walk alongside God with Gratitude! Thank you for showing your gratitude to God by pledging to Westminster in 2020.
